

*Daughters of Penelope District 20  
Carol Stathopoulos  
District Governor's Bulletin  
April 2022*

## **Kali Saracosti kai Kali Anastasi – Happy Easter**

**Looking ahead:** District Governor Pete Marudas and his Lodge have put the final touches on registration and ad-book forms for the District Convention in Las Vegas, June 16, 17, and 18. Forms are attached. Plan on sending at least two representatives from your chapter to attend. If possible, offer some financial incentive to help defray expenses. Take out an ad commemorating an event, remembering a loved one, or just celebrating summer! Support our District Convention. Let's go have some fun!

**PLEASE SUPPORT THE CONVENTION AD BOOK. CHAPTERS, OFFICERS, INDIVIDUALS, HONOR SOMEONE!!!**

**Elections for convention delegates should be held during April or May.** Then complete the **District Convention – DOP – Credentials** Form (attached) and mail or email to the District Secretary Michele Lotakis. [michele\\_lotakis@me.com](mailto:michele_lotakis@me.com)

**Applications for District Scholarships** can be found online at [Ahepadistrict20.org](http://Ahepadistrict20.org). Scholarships are available for undergraduate students at the college/university level. With the addition of a generous donation, district scholarships will be well funded this year. Application deadline is April 22, 2022. A new **Post Graduate Grant** program is being readied for introduction later this year. More information to follow.

Explore the [daughtersofpenelope.org](http://daughtersofpenelope.org) website for national scholarship applications.

**Sisterhood!** Linda Belba, District 21 Governor has announced plans to host a virtual Sisterhood Conference, Thursday, May 19, 2022. This is a bi-annual conference which includes Sisters from Districts 17, 20, 21, and 22. It is an opportunity to discuss together the contemporary issues facing the Daughters of Penelope. Normally an in-person event, in light of the ever increasing cost of gas and jet fuel, the District Governors met and determined a virtual conference was the best method of seeing one another. **SAVE THE DATE and stay tuned for more information.**

**Water With Blessings** is a non-profit water purification ministry devoted to bringing clean water to God's thirsty children. Water With Blessings gladly and proudly collaborates with people of any faith who practice compassion and believe that clean water is a basic, God-given human right. We invite these missionaries to join us as Mission Partners and bring our water purification ministry to their own mission sites. **Read more here:** <https://waterwithblessings.org/about-us/>

*Let the Light of our Lord, through prayer, lead us to  
peace during This Easter Season.*
